Education: Bachelor of Science, Graphic Design
California State University, Sacramento, December 2004

Experience: City of Roseville Parks and Recreation 2002 - present

- Worked on various projects ranging from flyers, newsletters, letter inserts, newspaper and magazine advertisements, posters, T-shirts, promotional coupons, and brochures.
- As the head designer for the Roseville Sports Center, in many cases it was my responsibility to not only design projects, but also come up with marketing ideas.

Freelance Jobs 2003 - present

- Worked on various projects such as: corporate identity, wine labels, posters, packaging, CD cover, insert, and label, websites, and illustration.
- Clients for these projects include a newly established winery, a coffee house, local musicians, and a local cabinet company.

Skills: I am proficient in the following programs:
